

PRESS RELEASE – EICMA 2022

The Beginning

Mr. Zhang Jingyi (born in 1977) and the Motorsport

“Blue Eyes Racing” Team Pilot

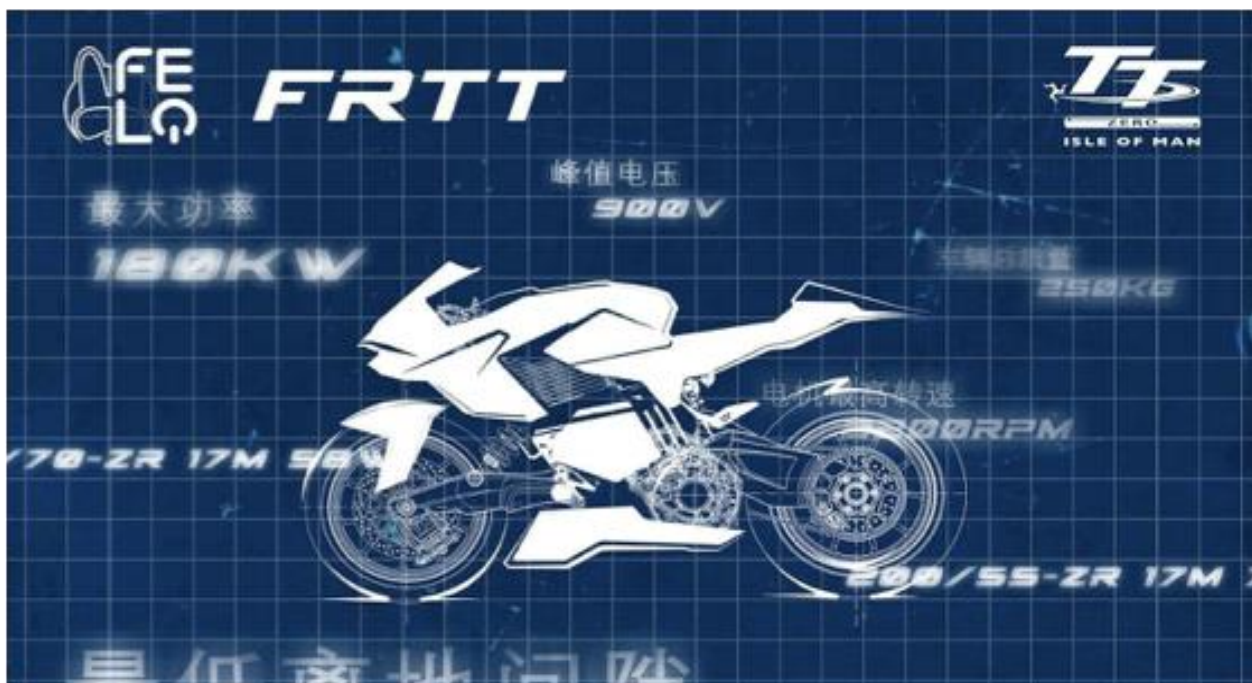

Former Engineer for Honda Moto Company Ltd

In 2011 he founded Front Design in Shanghai, whose Racing Department developed technologies and motorcycles enabling them to excel in CRRC/CSBK categories and other competition in China between 2012 and 2018.

In 2019 he retired from competitions as a pilot and founded FELO.

The goal is clear: designing, developing and manufacturing high performance e-motorcycles in the world and able to compete in world's most important events.

FELO is also aiming to present in TT Zero during the Tourist Trophy and in Pikes Peak International Hill Climb.
